PSP/RTKL Request N° 2019-1000

Dear Ms. Best:

On September 17, 2019, the Pennsylvania State Police (PSP) received your request for information pursuant to the Pennsylvania Right-to-Know Law (RTKL), 65 P.S. §§ 67.101 - 3104, wherein you state:

Records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between January 1, 2001 and the present.

Under the RTKL, a written response to your request is due on or before September 24, 2019.

Under the provisions RTKL section § 67.902(b)(2), you are hereby notified that your request is being reviewed and the PSP will require up to an additional 30 days, i.e., until October 24, 2019, in which to respond to your request. Should your request be granted, the total for the estimated or actual fees owed, if any, will be included in our subsequent response. The reason for requiring additional time for a final response is checked below:

- Compliance with your request may require the redaction of certain information that is not subject to access under RTKL.
- Your request requires retrieval of one or more records that are stored at a remote location.

- A response by the mailing date of this letter could not be accomplished due to bona fide staffing limitations. In particular, _____.
- Your request is under legal review, which is necessary to determine whether a requested record is a "public record" for purposes of the RTKL.
- Your compliance with the following agency policies is required for access to the record(s): _____
- You must pay the applicable fees authorized by the RTKL.

X The extent or nature of the request precludes a response within the required time period.

Should you have any questions regarding this letter, please contact the undersigned.

Sincerely yours,

William A. Rozier, J.D.

To Whom It May Concern:

Pursuant to the Pennsylvania Right to Know Act, I hereby request the following records:

Records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between January 1, 2001 and the present.

I am a member of the news media and request classification as such. I have previously written about the government and its activities, with some reaching over 100,000 readers in outlets such as Gizmodo, MuckRock, Motherboard, Property of the People, Unicorn Riot, and The Outline, among others. As such, as I have a reasonable expectation of publication and my editorial and writing skills are well established. In addition, I discuss and comment on the files online and make them available through non-profits such as the library Internet Archive and the journalist non-profit MuckRock, disseminating them to a large audience. While my research is not limited to this, a great deal of it, including

this, focuses on the activities and attitudes of the government itself. As such, it is not necessary for me to demonstrate the relevance of this particular subject in advance.

As my primary purpose is to inform about government activities by reporting on it and making the raw data available, I request that fees be waived.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Emma Best
